The Macomb/St. Clair County Chapter of the Autism Society of America is pleased to inform you that we are offering our “Wish List” Grant program to all public school districts in Macomb and St. Clair Counties.

The purpose of this grant is to fund educational materials for students affected by autism in any classroom setting, including the general education classroom, resource room, speech/occupational/physical therapy room, or Autistic Impaired classroom. A portion of the “Wish List” Grant Program funding was raised through the Chapter’s “Annual Crop 4 Autism” fundraiser.

Grant approval will be based upon the criteria listed below:

- ✱ How the item(s) will benefit student(s) affected by autism
- ✱ Number of student(s) item(s) will benefit
- ✱ Expected lifetime of items(s)
- ✱ Cost of item(s)
- ✱ Approval of the MSCCC/ASA “Wish List Grant Committee”

It is the intent of the “Wish List” Grant Committee to grant as many requests as possible based upon the funds available. If making more than one request per district or school, please make copies of the attached grant application or download the grant application from our website (www.macombasa.org).

Attached you will find the “Wish List” Grant Application. If you would like to apply for our “Wish List” Grant, please fill out the attached grant form and return it by January 8, 2010 to: Macomb/St. Clair County Chapter/Autism Society of America, P.O. Box 182186, Shelby Township, MI 48318.
