

Join us in getting our kids and young adults involved in their community!

**The mission: Highlighting the “faces of autism” in our
community to celebrate their capabilities & talents!**

**We are seeking input and ideas to start a group here in
Macomb County! The idea is to meet quarterly as a group to
“actively help in the community”!
ALL ABILITIES ARE WELCOMED & encouraged to join!**

**If this is an area that you would like to have your son or daughter get
involved in please send us your contact information below. A
“brainstorming” session will be scheduled in the New Year at a
fun location to discuss ideas & strategies!**
